# Indexing, the Backbone of Family Search

## Presenter: Carl Jacquier

## Why indexing.

➢ Examples of records.

➢ Pay it forward.

➢ True Christ like Gift.

## How did we do last year?

➢ How many people indexed last year?  How many records were indexed last year?  Why do you need so many people to index?

## How to Index.

➢ Rules for each project are different.

o Review rules for several different types of batches.

➢ Find a project you like, and stick with it until it's done.

## How to send a project back.

➢ If you don't enjoy a project, send it back.

➢ If you don't understand a project, send it back.

➢ If you can't read the information, send it back.

## Arbitration.

➢ Why arbitrate?
➢ How do I arbitrate?
➢ Am I good enough to be arbitrator?

## Where can I go for help?

➢ Local Resources
➢ FamilySearch

## Questions and Answers.

➢ If you have a specific indexing question, feel free to email it to me @ carl.e.jacquier@gmail.com  so we can cover it during the class.
